Website Developments:

- + [On-line Classes](#): The Dresden Blade – Jelly Roll Quilt is now available FREE for you to try, we will have more On-Line Classes available towards the end of the month.
- + All Classes will be priced at \$10. You will receive a link that stays open for a period of four weeks, containing the notes, templates & videos pertaining to that class, so don't panic you will have plenty of time, plus you can email or phone us anytime with questions. As soon as the website technicians iron out the details we will upload more classes, we were hoping to have it sorted but all good things come to those who wait, hopefully not much longer.

- + [On-Line Patterns](#) which are all priced at \$5 each.

When you purchase these patterns, you receive a link to the pattern & templates. (if required)

The link will stay active for two weeks from the date of the email providing the link, these are done the same way as the Free Patterns, each order is processed manually & may take up to 24hrs from purchase depending on the time of purchase & method of payment.

- + [On-line Block of the Month](#) these were due to be launch at the beginning of November, however at the Christchurch Show we had a lot of requests for Lovebirds & Lace Affair to be available on line. These are now available & are priced at \$30 per Quilt & you will receive a link every two weeks with the next installment of the quilt &

templates plus any videos we feel may benefit the Quilt. Each pattern will be available on this link for one month.

Both the On-Line Patterns & Block of the Months are proving very popular, so if anyone has a request for a particular Pattern or Blocks of the Month please let us know, also please feel free to contact us with any feedback both positive & negative for the On-Line Classes, Block of the Months & Patterns to enable us to provide you with one of the best quilting website available

I have put the Advent Calendar Pattern on the website as a [FREE PATTERN](#) this month, it will be available as a free pattern until 31st December 2011 – You must first register on the website to be able to access this pattern. If you have any questions please don't hesitate to ask.

Next year we are planning a large Creafting Event in Christchurch on Thursday July 12th—Sunday July 15th at Rangī Ruru Girls School where accommodation can be provided on-site. So far registrations are going well with around 30 people registering their interest.

Places are very limited with classes holding no more than 12 people & the bigger the response the more classes we will be able to provide, so please read all the information provided, ask any questions needed & get your registration in before it is too late.

If there are any clubs out there that would like to consider having us travel to them next year, please contact us for information on info@obsession2quilt.co.nz

We have in stock Leanne Beasley's Vignette Magazine, if there are any clubs out there that would like to subscribe to the magazine, please let us know – The magazine comes out quarterly & has no advertising, just stitching, quilting, cooking & gardening information including a mystery Block of the Month along with some great small projects. Vignette is priced at \$25 per magazine or \$22 per magazine for a subscription; we currently have the first five issues in stock.
