**Classes are as follows:**

**Midnight Madness on Friday 22<sup>nd</sup> October 5pm until Midnight:**

Come along and finish a project or start something new – You can bring your machine or do some hand work. Cost will include your Dinner.

**Saturday 23<sup>rd</sup> October – 9.00am – 4.00pm**

**Kiwi Santa – 2 Days:**

Make this cute Wall Hanging, a very New Zealand way to see Christmas.

Wall Hanging is a work in progress but basically Santa has just come in through the ranch slider of your typical kiwi beach batch to place presents under the tree. Santa is a typical kiwi bloke in his shorts & gumboots, while parked up outside is his tractor towed but his trusty Sheep.

**Desert Bubble – 3 Days:**

This Wall Hanging is absolutely stunning and has won several awards at the local AMP Show recently. It is a very Arty piece, you will learn a lot of Embellishment Techniques and Free Form Quilting Skills while having fun cutting it up only to sew it back together again.

### Circle Bargello ~ 2 Days:

This stunning quilt came about in an unusual way but proved to be easy and fun. A special Ruler is required and the cost has been added into the class, if someone already has the ruler we can deduct the cost off the class. There are two variations to this pattern, you will receive both.

### Landscape Wall Hanging:

Come along & learn with Jackie van der transferring that lovely scenery photo

Plus her method of into a stunning Wall Hanging using Applique Techniques.

### UFO:

As we all know these are a great way to socialise with like minded people while having time set aside to work on that project you have wanted to finish or get your teeth into.
