Hi Ladies

We are now counting down to Symposium, not long to go.

We will not have a merchant's site at Symposium. Our Shop in Temuka will be open with the extended following hours: Thursday 9.00am – 5.00pm, Friday 8.00am – 7.00pm, Saturday 8.00am – 7.00pm & Sunday 8.00am – 5.00pm.

We will be running several specials:

- We have a mystery prize drawn on the Monday following Symposium for the person who has traveled the furthest, so be sure to put your name in the book.
- We will have a goodies bag valued at \$30 for those who can prove they are registered & come in and spend \$30 or more. A limit of one per customer.
- Plus many other specials
- We will have complementary Tea, Coffee & Home Baking all day Thursday, Friday, Saturday & Sunday.
- Also if you want to come out to us in Temuka but can't make it, ring us on 03 615 6232 or text 021 1028127 pickup, state the number of people being picked up & we will come and pick you up from the Symposium – a minimum of three people per car load required.

- We are having a Midnight Madness on Saturday 10th April from 5pm onwards; the cost is \$15.00 per person which includes your dinner. Bookings are essential as spaces are limited, so book today, bring along an unfinished project & enjoy a night with some fellow quilters.

Leading up to Symposium we will give anyone 10% off their class requirements purchased from us.

You may have noticed that Mum designed a bag for the Wellington Symposium, which is an incredibly handy size for classes – so in honor of Symposium we will discount the [Kit by 30%](#) bringing the cost to [\\$52.85](#) (fabric will vary) and the [Pattern by 50%](#) bringing the cost to [\\$9.00](#) offer valid until the end of Symposium.

Do forget our upcoming classes; we have another FREE class this Saturday (20th March) on Quilting Techniques, then the [Appliqué Techniques](#) class on Saturday 17th April which still has about four vacancies, the [Fire Orchids](#) on Saturday 24th April and the [Circle Bargello](#) on Saturday 15th May, which is filling fast with only two places left.

Thank you to those who attended Jay Jay, I hope you all enjoyed the class.

We have managed to get some patterns for [Jay Jay](#) which is now listed on the web site.

We have a mechanic booked into service our machines and those of one of the local groups; he is very reasonable and will be here on Monday

29th March. If you would like your machine serviced it will cost \$35.00 - \$50.00 per machine. Please have them dropped off by 9am on the Monday and picked up no later than Friday 9th April.

We have managed to get our printing costs down & have passed this on to you. If you checkout our [Pattern Section](#) on the website, all the patterns we produced have come down in price. Plus we have some new ones like this [William Morris](#) Pattern based on Michelle Hill's Book.

I have also added so new [books](#) to the website, a [charm section](#), a [gallery](#) and a [End of Line/Sale Stock Section](#) with some huge specials for example the Oriental Squares was \$152.00 now \$100.00 or the Olfa Limited Edition Pink Cutter was \$82.00 now \$41.00, McKenna Ryan Promise Kit was \$45.00 now \$25.00 plus more - These specials are all limited stock so once gone that's it.

We look forward to seeing you over Symposium, stay safe over Easter & have fun.

Happy Quilting Toni & Sue
