Hello everyone;

Thanks for your fantastic support in Christchurch; it was lovely to hear from a lot of you & we thank-you for making yourselves known to us, now we have a lot more faces to put to the names on our data base. We had a chance to catch up with a lot of people we haven't seen in a while.

Congratulations to Cheryl from Needlecraft, she did a fantastic job with the show & many of the merchants, including us have re-booked for next year.

Up-coming Events:

✚ Saturday 15th October we have another **FREE CLASS** – [Heart Appliqué](#) which covers several different techniques for appliquéing using your machine – all we ask is \$5 to pay for the notes, power & unlimited tea 'n' coffee. If we are lucky we might even get some home baking. There are only 6 places available so please book early to ensure your space. This class is based on a Quilting Book by Caroline Price so therefore will not be offered on the website.

✚ Calico Christmas at the North Harbour Stadium on Oteha Valley Road, Albany (same as last year) held on Friday 4th, 5th, & 6th November, 10am – 5pm on Friday & Saturday & 10am – 4pm on Sunday. We will be there, so come say hello & grab some great

bargains.

✚ Saturday 19th November we have another **FREE CLASS** – [Advent Calendar](#), with Christmas fast approaching we thought you might like to make up this Advent Calendar which has nice big pockets to satisfy any chocoholic or as in my case big enough to hold three small treats for the kids – all we ask is \$5 to pay for the notes, power & unlimited tea 'n' coffee. If we are lucky we might even get some home baking. There are only 6 places available so please book early to ensure your space.

✚ Saturday 26th November we have a [Hand Appliqué Class](#). This class is hand work only – no sewing machine will be required. Learn how to do Needle Turn Appliqué – a nice project to do in the evenings while watching TV. Cost is \$35 per person. This class is limited to eight people – two places still available.

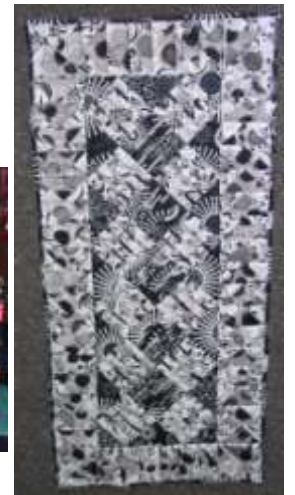

Exciting new Website Delvelopments:

✚ [On-line Classes](#): The Dresden Blade – Jelly Roll Quilt is now available FREE for you to try, we will have more On-Lines Classes available towards the end of the month.

✚ All Classes will be priced at \$10. You will receive a link that stays open for a period of four weeks, containing the notes, templates &

videos pertaining to that class, so don't panic you will have plenty of time, plus you can email or phone us anytime with questions. I have added 3D Table Runner, Symposuim Bag plus more to our

✚ [On-Line Patterns](#) which are all priced at \$5 each. When you purchase these patterns, you receive a link to the pattern & templates. (if required) The link will stay active for two weeks from the date of the email providing the link, these are done the same way as the Free Patterns, each order is processed manually & may take up to 24hrs from purchase depending on the time of purchase & method of payment. Recently added were the 3D Table Runner & Symposuim Bag.

✚ [On-line Block of the Month](#)

these were due to be launch at the beginning of November, however at the Christchurch Show we had a lot of requests for Lovebirds & Lace Affair to be available on line. These are now available & are priced at \$30 per Quilt & you will receive a link every two weeks where you can find the pattern & templates plus any videos we feel may benefit the Quilt. Each pattern will be available on this link for one month.

Don't forget the World Cup Fever Quilt is still available to celebrate the New Zealand Rugby World Cup, World Cup Fever [Kit \\$84](#) which includes all the fabric to complete the top & the binding plus the Flags, Monuments & Balls etc pre-printed onto Fabric to make this a very quick & simple project, the perfect gift for any rugby fan. Can be purchased as a [Pattern Only \\$30](#) this also includes the Flags, Monuments & Balls pre-printed onto Fabric.

I have put the Floral Explosion Pattern on the website as a [FREE PATTERN](#) this month, it will be available as a free pattern until 31st October 2011 – You must first register on the website to be able to access this pattern.

If you have any questions please don't hesitate to ask.
